James A. Schaps has focused on handling defense of workers' compensation and automobile liability cases for over 30 years. He regularly serves as a Mediator/Arbitrator in workers' compensation and automobile liability matters and has done so for over 20 years.

Jamie is a proponent of Hansen Dordell's open and friendly client services environment. "Some firms can get hung up on their 'image' as lawyers but that's not the case at Hansen Dordell. There has never been a client or a lawyer who has ever commented they were 'uncomfortable' in our office. While we deal with serious issues affecting people's lives, we don't forget that our clients are the most important part of our job."
